## PROCESS INSTRUMENTS AND ANALYTICAL EQUIPMENT

### COMPANY PROFILE

#### COMPANY CORE PURPOSE

*Become a buddy of all the clients to enhance their business by providing them reliable & cost-effective solutions.*

#### CORE VALUES OF COMPANY

Reliable, Resourceful, Respect, Elegance, Happy Environment

### COMPANY INTRODUCTION

**NK Instruments Pvt. Ltd.** is the Company having their business in the field of Instrumentation from more than two decades. We are one of the leading Companies in the field of Process Control Instruments. We not only supply instruments but provide solutions suitable for various industrial applications.

Recently we have added few global brands of Analytical Equipment also in our product range.

We are a group of committed employees. Because of their knowledge, efficiency and practical experience in the field of Instrumentation, we have established healthy business relations with our clients. Because of the quality of our products, the proper model selection to suite the application requirements and our pre-sales & post-sales Technical and Service support, we get the repeat orders from our customers. With perfect co-ordination & interactions, we supply these Instruments in India and at various countries in the world, within committed time span.

Our instruments are being used and Services are being provided to different industrial segments like Water Treatment Plants, Hydraulic and Pneumatic Systems, Textile Machineries, Autoclaves, Filtration Systems, Pharmaceutical and Food, Chemical and Petrochemical, Fertilizer, Refineries, Oil & Soap, Paper & Pulp Industries, Automobile, Hospitals, Foundries, Floor Mills, Poultry Farms etc.

Our extended products of Analytical Equipments are mainly required at Pharmaceuticals, Food production, Hospitals, Cosmetics, R&D laboratories, Medical facilities, Clinical settings, Paints, and Pigments.

In year 1996 a Proprietary firm, **N. K. Enterprises** was started by Mr. Nitin S. Kelkar.

From 2006 he started another Company **NK Instruments Pvt. Ltd.**, and the Directors of the Company are Mr. Nitin S. Kelkar and Mrs. Chitra N. Kelkar.

## PROCESS INSTRUMENTS AND ANALYTICAL EQUIPMENT

### PROFILE OF THE DIRECTOR

#### **Mr. Nitin S. Kelkar** **Director**

*Mr. Nitin S. Kelkar is an Instrumentation Engineer.*

*He has worked in various Industrial Instruments manufacturing Industries, Process Plant and Instrumentation Trading Companies.*

*The theoretical base and his varied practical experience have nurtured an insightful understanding of the needs of our clients. His in-depth analysis of need and application knowledge provides appropriate selection of instruments.*

*He is an excellent communicator. So, he can get correct understanding of the application and required Instruments needed to clients.*

*He personally gives the training to the Engineers working for the Company which enables the Engineers the easy understanding of the requirements given by the customers, and they can offer valid solutions to their clients. He has inculcated the habit of understanding the needs of the client and giving them ready or tailor-made solutions.*

*So, the Engineers of the Company also insist clients provide maximum process details related to the application, which results into proper selection of instruments and naturally hassle-free business transaction.*

*Under the stewardship of Mr. Nitin S. Kelkar, NK Instruments Pvt. Ltd. has set its sight to establish its healthy business across various types of Industries.*

## **PROCESS INSTRUMENTS AND ANALYTICAL EQUIPMENT**

### **PRODUCTS**

#### **Industrial Instruments we manufacture:**

*Level Instruments :- Mechanical Level Gauges like Tubular Level Gauges, Reflex Gauges, Follower Level Gauges, Bi-color Level Gauges, Float & Board type Level Gauges for non-pressurized tanks, Float & Board type Level Gauges for pressurized tanks, Float type Level Switches, Conductivity Level Switches, Capacitive type Level Switches, Rotating Paddle type Level Switches, RF Admittance Level Switches, Float operated Level Transmitters, Capacitance Level Transmitter, Online pH Meters, Online Conductivity Meters, Online TDS Meters etc.*

*Temperature Sensors:- All varieties of contact type RTD's and Thermocouples.*

*Customized Process Controllers:- Large Size Digital Indicators, Square Root Extractors, Flow Totalizers, Scrolling Displays, Data Scanners, Paperless Data Logger, Programmable Timers, Batch Controllers, Dosing Controllers, Bar Graph Indicators, Temperature Humidity Controllers, Capacitor Testers, Earth Open Controllers, Multi-Channel Indicating Controllers*

We have Authorized Dealerships of well-known brand of Industrial Instruments like: ORION, HIRLEKAR, MULTI-TECH, BROIL, FFE

And we also have the Authorized Dealerships for Analytical Equipment from: Erredue S.p.A.-Italy, Wasserlab-Spain, Longer Pumps-China, Kofloc Corporation-Japan and Stellarnet-U.S.A.

*We manufacture varieties of Level Instruments, Temperature Sensors, Flow Meters and Customized Digital Process Indicator / Controllers and Control Systems - as per client's requirements.*

*In process Control Instruments we cover the following list of products:*

Pressure & Vacuum - Digital Gauges / Switches / Transmitters.

- Differential Pressure - Gauges / Switches / Transmitters.
- Temperature - Digital Gauges / Switches / Transmitters.
- Flow - Sensors / Switches / Indicators / Totalizers / Batchers / Transmitters / Flow Metering Systems.
- Level - Switches / Indicators / Transmitters.
- Conductivity / TDS - Electrodes / Indicators / Controllers / Transmitters.
- pH - Electrodes / Indicators / Controllers / Transmitters.
- Vibration - Switches.
- Customized Process Indicators / Controllers / Control Systems & Control Panels

#### **Analytical Equipments & Laboratory Instruments:**

- Water Purification Systems.
- Laboratory Gas Generators.
- Peristaltic & Syringe Pumps.
- Mass Flow Controllers & Meters.
- Spectroscopy Systems.
